
REQUIREMENTS FOR PIGMENT OFF®-TRAINERS

The following are requirements and necessary qualifications for the trainers of PigmentOff® permanent make-up, tattoo and microblading removal technique:

- 1) The trainer must have at least a two-year proven practical experience in the field of permanent make-up, microblading and / or tattoo.
- 2) The trainer must be a distributor, or a representative of the PigmentOff® distributor.
- 3) A candidate must be trained in the PigmentOff® technique by the Licensor.
- 4) The Distributor is obliged to give (at his own expense) the Licensor or his representative the opportunity to monitor in person the first Training experience (presence at the first training conducted by the Distributor or his representative) of the candidate.
- 5) PigmentOff® trainer must confirm his qualification by regular demonstration of his works on permanent make-up, microblading and tattoo removal (photos "before" and "after").
- 6) Training Certificates are issued exclusively by the Licensor. They are registered under the record numbers in the PigmentOff® database. The term of the Training Certificate is limited and may be extended by the Licensor.

These requirements are equal for all PigmentOff® distributors.
